*Suggested Teaching Order

SUGGESTIONS FOR USE OF CHECK OFF LIST:

Put an X in the box corresponding to the movement and the night it was introduced.

Put an X in the box corresponding to the movement and the night it was next called and work shopped.

Put a / in the boxes when the movement is danced without difficulty and there after to keep track of calling the movement

The Preface of the CALLERLAB Advanced Definitions contains important information regarding such rules as Facing Couple Rule; Ocean Wave Rule; Right Shoulder Rule; All Four Couples vs. All Eight; Split vs. Box; How dancers are named; Starting Formations; Glossary of Descriptive Terms; etc. All callers that call the Advanced Program should be thoroughly familiar with the Preface and should be able to explain how these rules are used at the Advanced Program to their dancers.
