

The Do Not Call List

compiled by Tim Marriner

Copyright 2016 by Tim Marriner

The following are actual combinations that I have heard from callers over the years. They are not being intentionally developed for demonstration purposes. This material is not recommended for use at any time as they exhibit bad body flow, inappropriate hand availability, or are deemed improper. Unfortunately this list is continually growing. If you disagree or question this assessment, contact me at marriner@juno.com

- 1.) Star Thru, Veer Left
- 2.) Touch $\frac{1}{4}$, Swing Thru
