

FOR IMMEDIATE RELEASE

(JULY 2020)

The CALLERLAB Past Chairman's Committee has endorsed the Social Square Dancing (formally Sustainable Square Dancing) as an existing and proven vehicle that can be used in taking positive and decisive action in opening up a return to square dancing. Therefore, the CALLERLAB Past Chairman Committee endorses the use of SSD as one approach for getting current dancers back on the floor having a fun and enjoyable time, as well as being a fast paced approach for bringing new people into our Square Dance community. This would include the prospect of having a well thought out plan in place for multiple lesson starts, thus providing a path to re-energize Square Dancing as we emerge from the Covid-19 crisis.
